ALUMNI NEWSLETTER

Some of you don't know me and some of you have probably forgotten me. My name is Natalia Ramirez. I started working at Notre Dame in 1981 in the Bookstore. I have been known by the ND students as "the bookstore lady", "the locker lady", "the summer school attendance lady", "the tuition lady", and now the "front office secretary". I have retired three times and each time I have been talked into coming back to ND by Mr. Rodriguez. I am now attempting to get the Notre Dame Alumni website together and I can use all the help I can get. Please contact me thru the Alumni section of the ND website or at nramirez@ndhsriverside.org.
